Subject: AGSL Additional Submittal under AOC - H&S Plan

Greetings all.

Please find an electronic version of the facility Health & Safety Plan, per the terms of the AOC. A hard copy of this plan is being sent to you under separate cover, as the file size was too large to send with the other submittal.

Best regards,

Joe Whelan

General Manager

Waste Management of Hawaii

808-668-2985, ext. 15 Office

808-668-1366 Fax

808-479-4610 Mobile

Waste Management's landfills provide over 17,000 acres of protected land for wildlife habitats and 15 landfills are certified by the Wildlife Habitat Council.
